Life Lessons from a Young(ish) Professor

Eric M. Reyes
Department of Mathematics
Rose-Hulman Institute of Technology

(2012 Alumnus)
You should consider graduate school.
Summer Institute in Biostatistics (SIBS)
Will you go for a Ph.D.?

NO WAY
Variable selection as a future thesis topic.
So, you want to be a professor?

NO

Thanks
RHIT is a small engineering school.
• Do **not** underestimate the power of a good graphic.
• Do not underestimate the power of a good graphic.
• Do not lose your ability to communicate creatively.
• Do **not** underestimate the power of a good graphic.
• Do **not** lose your ability to communicate creatively.
• Do **not** be too quick to say “no” to new possibilities.
